A debt or obligation may be assigned to one party as part of the dissolution of property and debts, but if that party does not pay the debt or obligation, the creditor may be able to collect from the other party.

An earnings assignment may be issued without additional proof if child, family, partner, or spousal support is ordered.

Any party required to pay support must pay interest on overdue amounts at the "legal rate," which is currently 10 percent.

JUDGMENT (Family Law)
